Scottsdale, AZ (August 12, 2020) — Inc. magazine has placed Design Pickle on its annual Inc. 5000 — a prestigious ranking of the nation's fastest-growing private companies — for the second consecutive year.

“We are thrilled to receive recognition from Inc.” said Russ Perry, Founder and CEO of Design Pickle. “This past year, we rolled out new products, features, and technology to elevate our growth, and it’s a great honor to have these efforts acknowledged.”

Much like last year’s list, the 2020 list features some of the most successful, innovative companies in the world. Recognition is given to those that achieve the highest revenue growth, with the combined revenue of the 2020 honorees exceeding \$209 billion. Design Pickle exceeded the average growth rate of 500%, achieving a 3-year growth rate of 635%.

In addition to #748 on the overall list, Design Pickle places #11 in Arizona and #53 in the Top Business Products and Services.
